## Are you sure you inspected your trailer?

Or are you leaving \$25.00 cash behind?

Do you think you did a great job inspecting your equipment? If so, did you find the Money Tag?

Green Money Tags will be placed on **random trailers** and can be found during a normal trailer inspection if you are checking your equipment on a regular basis. These tags will be easy to spot.

Not all trailers will have a Green Money Tag on them; trailers at random will be picked and monitored until the tag is found.

Once a tag has been found, the tag will then be placed on yet another random trailer.

When you find a tag, pull it off and bring it to Chris Zondlo in Safety at the Arlington Office.

If you do not make it through the Arlington Office you can always give Chris a call to let him know of your find and claim your cash!

# Congratulations

Michael Jackson, Trailer Mechanic, Found this ticket on trailer 53FB0950.

This ticket had been on this trailer for over 6 months and 8 different drivers had opportunity to find the ticket.

Way to go Mike!
